

# how do you measure up?

Due to the variations of manufacturers' sizing we have put together a size chart to help you understand the sizing process. The chart has been put together on an average fitting basis and may vary from person to person. You will also find however that product descriptions will have further detail regarding the fit to help you decide on what size will best fit you.

| SIZE        | ADULT (size) | CHILD (age) |
|-------------|--------------|-------------|
| small       | 8/10         | 5-6yrs      |
| medium      | 10/12        | 7-8yrs      |
| large       | 12/14        | 9-11yrs     |
| extra large | -            | 12-13yrs    |
| C1          | -            | 7-8yrs      |
| C2          | -            | 9-10yrs     |
| C3          | -            | 11-12yrs    |
| A1          | 6/8          | -           |
| A2          | 10/12        | -           |
| A3          | 12/14        | -           |
